

## **Renew your electricity or gas contract by 30 September 2024 for a chance to win a £100 Amazon voucher!**

**We've partnered with EDF Energy to launch the NFU Energy September Buying Group, exclusively for NFU and NFU Scotland members renewing their energy contracts.**

Building on the success of our previous Buying Groups, the September Buying Group offers a special deal: the first 100 members to renew their contracts will receive a £100 Amazon voucher. Additionally, all renewals through this group will benefit from a lower price than our standard rates.

If your contract is set to expire before 28 February 2025, and you renew with EDF Energy via NFU Energy by 30 September 2024, you'll be eligible to join the Buying Group. This means you'll secure a reduced price and have a chance to be among the first 100 sign-ups to win a £100 Amazon voucher!
